Hi-Lo, Inc. Is a family run business that has been in operation for over 40 years. Through our experience we have become one of the most popular hunting clubs in Wisconsin. We own and lease over 1,000 acres of prime hunting land that includes prairie, hedgerow, willow marsh and woods. We offer large natural hunting areas, each with its own unique terrain and excellent ground cover. Our pheasants are raised in large flight pens to ensure strong flight. We pride ourselves in offering an environment where each hunt is a real challenge. We are the only hunting club, that we know of, that charges for birds shot—not birds released!

A hunting license is not required. For all our hunters to enjoy we have a spacious clubhouse where hunters come to check in and where you may relax after the hunt. We offer a large selection of snacks, soda, coffee, doughnuts, cold sandwiches and pizza. Our great room with all of it's beautiful pheasant mounts has a tv and fireplace to enjoy the Sunday games.
